Dear Colleagues, Family and Friends:

Kincaid's Kindred Spirits, Inc. (KKS), annual **Red & White Cell-abration** event is quickly approaching. As this year's Honorary Committee Chair, I cordially invite you to join me as a member of the 2022 **Red & White Cell-abration** Honorary Committee, helping to make this year's event the most successful yet! **Please purchase a leaf on our KKS TREE OF HOPE. The cost of a leaf is only \$100 and will be used to provide much-needed programs and services to underserved individuals and families in our communities affected by Sickle Cell Disease.**

Kincaid's Kindred Spirits, Inc. is an organization that exists for the purpose of bringing community awareness to the plight of adults who are afflicted with Sickle Cell Anemia and Sickle Cell Trait. Our aim is to help lessen their uncertainty and improve their quality of life by mobilizing for greater public support of health care maintenance, alternatives to independent living and access to employment opportunities.

Each year, Kincaid's Kindred Spirits programs and services positively impact the lives of more than **300** individuals and families in Cuyahoga County, who have at one time, or another faced economic hardship. KKS's programs are critical to our community-engaging people in making significant and lasting changes in their lives. With your support, we can ensure services like our monthly support group meetings, Meet & Greets, promotion and implementation of blood drives, and our holiday turkey & ham give-a-way remain available to our community.

Your investment as a 2022 **Red & White Cell-abration** Honorary Committee member illustrates your passion for helping individuals in our community. I encourage you to spread the word about this event and the wonderful programs and services KKS provides in the community. Please invite your friends and family in reaching our goal of raising \$10,000, by making a monetary donation or join us for a fun-filled night in honor of a great cause.
